Hello Paul,

A couple of months ago my wife and I were in Sydney and spent time in Circular Quay and in particular the Opera House area.

We had a few drinks before heading back to Brisbane and we came across you and your buskering.

We bought a DVD from you and just wanted to say how much I enjoy it.

You are very talented, your playing gives peace to the soul.

I am a classical music lover and a classical guitar lover.

Thank you – just wanted to say hi and thanks.

Regards,

Mark and Sophia Illingworth
